

Consent Decree Requirement	Substantial Compliance Yes / No	Impact: Health, Injury, Security, Other	Estimated Costs to Achieve Compliance	Status
<p><u>Planning</u> Defendants shall develop a short-term and long-term plan for operating SPC, SDF, TDF, and RDF. This plan shall address operating these facilities as a system, where practicable. This plan shall correct current deficiencies and address future population growth. In particular, the plan should address: (a) Facility population projections and classification of projected populations; (b) Space requirements for housing and projected population in SPC, SDF, TDF, and RDF; (c) Programming and services at these facilities appropriate to their populations, including medical care, mental health care, food service, and protection from harm; (d) Staffing and training; (e) Security and emergency planning; (f) Funding.</p>	<p>Yes</p>			
<p>The short-term component of the plan shall be completed within 30 days of the entry of this Decree and updated every six months. [§ II Planning ¶ 9]</p>				
<p>Defendants shall obtain the assistance of professional consultants in developing this plan. Defendants may seek the assistance of the National Institute of Corrections in developing the plan. Compliance with this planning requirement shall not be dependent or contingent, however, upon obtaining assistance from the National Institute of Corrections. Defendants may utilize such other professionals to develop this plan as they deem appropriate. [§ II Planning ¶ 10]</p>	<p>Yes</p>			
<p>Defendants shall provide the United States with a copy of the final proposed short-term and long-term plan and their revisions upon completion. The United States shall have the right to review the plans so developed and shall have the authority to disapprove any plan or portion of the plan which it concludes fails to comport with appropriate penological practice. [§ II Planning ¶ 11]</p>	<p>Yes</p>			

<p>If the Defendants choose to operate RDF and TDF as temporary holding facilities, defined as routinely confining inmates for less than twenty-four (24) hours, absent exigent circumstances, but for no longer than forty-eight (48) hours, then RDF and TDF shall not be required to comply with the following requirements of this Decree: (a) The portion of Paragraph 19 requiring Defendants to provide metal storage lockers; (b) Paragraph 45 which requires Defendant to provide hot water in bathrooms; (c) Paragraph 50 requiring health screening, testing, and examinations; (d) Paragraph 53 requiring the facilities to be staffed by full-time correctional officers; (e) Paragraph 54 requiring training for correctional officers; (f) Paragraph 56 requiring classification of inmates; (g) Paragraph 60 requiring special needs, protective custody, and disciplinary / maximum security housing areas; (h) Paragraph 60 requiring a secure perimeter fence; and (i) Paragraph 62 requiring control of tools and utensils. [§ II Planning ¶ 12]</p>	<p>No</p>			
<p><b>Fire Safety</b> Defendants shall protect persons confined in SPC, SDF, TDF, RDF, KYF, and SIDF from undue risk of harm from fire and smoke. [§ III Fire Safety ¶ 13] Within 180 days of entry of this Decree, Defendants shall provide a complete and working fire alarm system with system type smoke detectors in SPC, SDF, TDF, RDF, KYF, and SIDF. Such fire alarm and smoke detection system shall be continuously monitored by staff through a central control panel at each facility and shall directly alert the fire department. Defendants shall test the alarm and smoke detection system monthly, and service or repair as necessary. [§ III Fire Safety ¶ 14] <b>NOTE: SEE EXCEPTION IN ¶65.a.</b></p>	<p>Yes</p>			<p>Fire Alarm in RLSF is Not in operation &amp; in Lieu, Smoke detectors are placed in the facility.</p>
<p>Defendants shall remove all polyurethane foam mattresses, pillows, furniture, and other foam materials, such as insulation, from SPC, SDF, TDF, RDF, KYF, and SIDF. Defendants agree to utilize only fire resistant and/or retardant mattresses, pillows, bedding, furniture, insulation, and other materials. <p>Within 180 days of entry of this Decree, Defendants shall develop comprehensive facility policies and procedures for SPC, SDF, TDF, RDF, KYF, and SIDF. Such policies and procedures shall include policies regarding supervising inmates of different classifications. Defendants shall regularly review and revise these policies and procedures as necessary. The United States shall be provided a copy of the final proposal policies and procedures upon their completion. The United States shall have the right to review policies and procedures so developed and, if the United States disagrees with any policy or procedure, shall inform and consult with Defendants to improve the policy or procedure. If the parties are unable to agree on whether a particular policy is appropriate, the matter shall be decided by the Court after briefing by the parties. Defendants shall obtain the assistance of professional consultants in developing these policies and procedures, and may seek the assistance of the National Institute of Corrections. Compliance with the requirements of this paragraph shall not be dependent or contingent, however, upon obtaining assistance from the National Institute of Corrections. Defendants may utilize such other professionals to develop these policies and procedures as they deem appropriate. [§VI Security and Protection from Harm ¶ 54]</p> <p><b>NOTE: SEE ¶12 FOR EXCEPTION FOR RDF/TDF</b></p>	<p>Yes</p>			
<p>Defendants shall develop and implement at SPC, SDF, TDF, RDF, KYF, and SIDF an inmate classification plan utilizing objective and behaviorally based classification standards including nature of offense, criminal history, risk of being a predator/prey, and mental health status (e.g., suicide risk). The classification system shall be based upon safety and security considerations unique to the population at each facility. Defendants shall obtain the assistance of professional consultants in developing the inmate classification system, and may seek the assistance of the National Institute of Corrections in developing a classification system. Compliance with the requirements of this paragraph shall not be dependent or contingent, however, upon obtaining assistance from the National Institute of Corrections. Defendants may utilize such other professionals to develop the inmate classification plan as they deem appropriate. [§VI Security and Protection from Harm ¶ 55]</p>	<p>Yes</p>			

Defendants shall provide regular sight and sound direct supervision of all persons confined at SPC, SDF, TDF, RDF, KYF, and SIDF. Defendants shall remove sight-line obstructions such as hanging sheets and towels. [§VI Security and Protection from Harm ¶ 56]	SPC Yes				
Defendants shall provide correctional officers, and other staff supervising inmates at SPC, SDF, TDF, RDF, KYF, and SIDF with the ability to communicate at all times while supervising or monitoring inmates, with a central command post at each facility. [§VI Security and Protection from Harm ¶ 57]	SPC Yes				
Defendants shall ensure that correctional officers at SPC, SDF, TDF, RDF, KYF, and SIDF make frequent rounds to monitor activity in inmate housing areas. Appropriate documentation of security checks shall be maintained in a manner that is readily identifiable and verifiable. Sufficient officer rounds shall be made within the housing units to provide inmates reasonable protection from harm. At minimum, in maximum and medium security housing areas such rounds shall be made and recorded on at least fifteen (15) minute intervals. [§VI Security and Protection from Harm ¶ 58]	SPC Yes				
Defendants shall provide special needs (e.g., suicide-watch), protective custody, and disciplinary/maximum security housing areas at SPC, SDF, TDF, RDF, KYF, and SIDF for inmates who must be separated from the general population and/or in need of frequent or constant supervision. Suicide-watch cells must be free from "hanging points." Staff shall monitor potentially suicidal inmates at least every fifteen (15) minutes and record such monitoring. Staff shall continuously monitor suicidal inmates. [§VI Security and Protection from Harm ¶ 59]	NO		Due to overcrowding, SPC cannot separate Suicidal.		
Within 180 days from entry of this Decree, Defendants shall install a secure perimeter fence around SPC, SDF, TDF, RDF, KYF, and SIDF, appropriate to the inmate classification and population at each facility. Each fence shall have adequate lighting and be monitored. [§VI Security and Protection from Harm ¶ 60] <b>NOTE: SEE ¶12 FOR EXCEPTION FOR RDF/TDF</b>	Yes				
Defendants shall ensure that males and females at KYF do not commingle unless directly supervised by staff. [§VI Security and Protection from Harm ¶ 61]					

Defendants shall control and account for the location of all tools, utensils, and personal effects that could be used as a weapon. Defendants shall secure all areas in which metal objects are stored or disposed. Defendants shall install "shadow boards" in tool storage and kitchen utensil areas and daily account for and document all tools and utensils accessible to inmates. Inmates shall not have access to any area in which metal objects are stored or held for removal as trash, unless directly and constantly supervised by staff. Correctional officers shall search inmates and housing areas for contraband articles. [§VI Security and Protection from Harm ¶ 62]	SPC comply see page 26  SIDF comply Page 49			
NOTE: SEE ¶12 FOR EXCEPTION FOR RDF/TDF New Construction Any new facility(ies) built or operated by Defendants, or their agents or contractors, to detain or confine inmates shall comply with the provisions of this Decree. [§VII New Construction ¶ 63]	Yes			
Any new facility(ies) built or operated by Defendants, or their agents or contractors to detain or confine inmates shall be designed by an architect with experience in designing correctional facilities. Defendants shall provide the United States with the architectural plans for such facility(ies) for the United States' review and comments. [§VII New Construction ¶ 64]	Yes			

<p>Defendants have provided the United States with the following schedule termed "Planning Schedule for New Facilities": December 1998, Defendants shall have hired an expert consultant as a project manager for the new facility construction project; September 1999, Defendants shall award the architectural and engineering contract for the new facility; May 2000, Defendants shall begin construction of the new facility. If Defendants follow this schedule and progress at a reasonable pace in constructing the new facility(ies), Defendants need not comply with the following provisions of this Decree for the current facilities, provided that the current facilities are not used to detain and confine inmates upon the opening of the new facility(ies): [§VII New Construction ¶ 65]</p> <p>Paragraph 14 in that it requires the fire alarm and smoke detection system to operate as an integrated system alerting a central control panel and directly notifying the fire department. Defendants may instead use single unit battery operated alarms and smoke detectors provided such units are tested and serviced weekly. In addition, each unit shall be continuously supervised by staff with two-way communication to a central control that can immediately respond to the emergency, including immediately contacting the fire department. [§VII New Construction ¶ 65 a.]</p> <p>Paragraph 22 regarding installation of fire sprinklers; [§VII New Construction ¶ 65 b.]</p> <p>Paragraph 45 as it applies to hot water in the lavatories at SPC and SDF [§VII New Construction ¶ 65 c.]</p>	<p>Yes</p>			
<p><u>Compliance</u></p> <p>Ninety (90) days following entry of this Decree and every six (6) months thereafter until this Decree is terminated, the CNMI shall file with the Court, with a copy to the United States, a status report delineating all steps taken during the reporting period to comply with each provision of this Decree. The CNMI shall state whether any internal or external audits of the functions of SPC, SDF, TDF, RDF, KYF, and SDF have been performed and will summarize the subject matter and results of such reports. The CNMI shall provide the United States with copies of these reports or audits upon request. [§VIII Compliance ¶ 66]</p>	<p>Yes</p>	<p>Changed to Quarterly Report.</p>		

Defendants shall maintain all records necessary to document their compliance with all terms of this Decree. The Defendants shall also maintain any and all records required by or developed under this Consent Decree. [§VIII Compliance ¶ 67]					
Defendants shall appoint a consent Decree coordinator to oversee compliance with this Decree, and to serve as a point of contact. [§VIII Compliance ¶ 68]	yes				
During all times while the Court maintains jurisdiction over this action, the United States shall have access to, and receive copies of, any documents and any databases necessary to evaluate compliance with this Decree. The United States shall have access to all staff and facilities as necessary to evaluate the Defendants' compliance with the terms of this Decree. [§VIII Compliance ¶ 69]	yes				
The Defendants shall immediately provide copies of, and explain the terms of this Decree to all current and future employees or other staff of SPC, SDF, TDF, RDF, KYF, and SIDE, in order to ensure that they understand the requirements of this Decree and the necessity for its strict compliance. All such individuals shall sign a statement indicating that they have read and understand this Decree and acknowledge receiving an individual copy of the Decree. [§VIII Compliance ¶ 70]	yes				
Except where otherwise specifically indicated, the Defendants shall implement all provisions of this Decree within 90 days after entry of this Decree. [§VIII Compliance ¶ 71]					

The Court shall retain jurisdiction of this action for all purposes during the term of this Decree. At any time after two (2) years from the date of entry of this Decree, and after substantial compliance has been maintained for no less than one year, the CNMI may move to terminate this Decree. Any motion to terminate must detail all aspects of the Defendants' compliance with each provision of this Decree, supported by affidavits and supporting documentation. The United States shall have ninety (90) days from receipt of the CNMI's motion to terminate to file its objection(s). In the event the United States objects to termination of the Decree, the Court shall hold a hearing, at which both parties may present evidence, before ruling on the motion to terminate. At the hearing, the burden shall be on the CNMI to demonstrate that it has fully and faithfully implemented all provisions of this Consent Decree and maintained substantial compliance for at least one year. [§VIII Compliance ¶ 72]

Yes
